Outdoor Family Clay Date: Tic Tac Toe Game

Friday, August 5, 10am- 12pm

Make a family clay masterpiece! Work together to create a Tic Tac Toe board for family game night. Learn basic clay techniques and paint your project with colorful underglazes. This class is a small group, socially distanced with no shared materials.

We'll guide family groups through a step-by-step project while being properly distanced outdoors and providing individual tool kits- a great way to customize your family visit to Annmarie. So, pack a picnic, search for fairy houses, and play in the Fairy Lolly afterward.

Groups can choose to work on one project or purchase additional project kits, so everyone works independently. An adult must participate with children. Members receive a 10% discount.
